Objective

Motivated and curious Computer Science undergraduate passionate about upskilling, hands-on learning, and solving real-world problems in dynamic environments.

Education

- | | |
|---|------------|
| • B.E. in Computer Science , Panimalar Engineering College (2022–2026) | CGPA: 8.64 |
| • 12th Grade, Sambaviga Hr. Sec. School (2021–2022) | 90.5% |
| • 10th Grade, Sambaviga Hr. Sec. School (2019–2020) | 72.6% |

Technical Skills

- **Languages:** Python, Java, SQL
- **Web Development:** HTML, CSS, JavaScript
- **Tools:** VS Code, Git, IoT Tools

Soft Skills

- Fast Learner
- Problem Solving
- Team Collaboration

Projects

- **SmartDocs:** Extracted and classified documents using zero-shot classification and routed to departments.
- **Sound Synth:** Summarized voice recordings using speech-to-text.
- **Recommendation System:** ML-based product recommender for personalization.

Experience

- **Cyber Security Intern** – AcmeGrade (Jan 2024 – Feb 2024)
Trained in ethical hacking and essential cyber threat tools.
- **Full Stack Developer Intern** – Vinsup Infotech, Madurai (Jun 2024 – Jul 2024)
Worked on frontend and backend web development.

Certifications

- Programming in Java — NPTEL (Jul–Oct 2024)
- Machine Learning 101 — GUVI (Sep 2024)
- Generative AI — GUVI (Sep 2024)
- OCI 2024 Generative AI Certified Professional — Oracle (Jul 2024)
- Intro to Python — Infosys (Mar 2025)
- IoT using Arduino — Crystal Clear Tech & Innovation (Aug–Sep 2023)

Achievements

- Social Media Titan Award - HPL2025, Hexaware Technologies
- IV Prize — Sound Synth Project, Panimalar Engineering College

Positions & Interests

- **Clubs:** Neuro Nexus, IAENG (International Association of Engineers)
- **Interests:** Dancing, Singing
